Vote for Singh to win International SpaceLab Competition.

A note from a young Sikh from CA.

Hello my name is Pranav Singh; I am a finalist for the International Youtube SpaceLab competition sponsored by Lenevo and various space agencies from around the world including NASA. Right now the competition is in the voting phase. I would appreciate if you could vote for my project by clicking the link you see below this message. Voting ends on the 24th of January send this to as many of your friends via email as possible. Voting can be done **once per day** so I hope you will continue to vote for me. If my project wins it will be conducted on the international Space Station pictured at the left. Thank you for your time. Honestly this project means a lot to me and any time on your part is greatly appreciated - <http://goo.gl/suQvJ>

Let's help the young man win !
